#0732 - In the Light... concert performances by Christa Rakich, Lawrence Archbold and Robert Bates, recorded in midwestern venues.

#0733 - One at a Time... a reminder that bigger is not necessarily better, and that the efficient, one-manual pipe organ is rich in charm and character.

#0734 - Glory and Honor... scintillating and sober songs of praise, multiple settings across four centuries of the chant *Te Deum!*

#0735 - Pipes at the Proms... performances from London's celebrated Royal Albert Hall and its 9,999-pipe Willis-Harrison-Mander organ, still the largest in England.

From American Public Media, *Pipedreams*® is public radio's weekly program dedicated to the artistry of the pipe organ. Host Michael Barone's celebration of the "king of instruments" is heard on stations nationwide. Visit www.pipedreams.org to locate a broadcast station in your area.
