#0736 - Imaginary Beings...reading notes from a page is one thing, but improvising something new, ‘out of thin air’, is a remarkable skill.

#0737 - A Class Act in Columbus (OH)...the new 66-stop tracker organ by Paul Fritts at St. Joseph Cathedral joins this city’s already rich local instrumental resources.

#0738 - A Fugue Too Far?...take a trip with counterpoint, and follow each voice as the aural weave becomes both intricate and engaging.

#0739 - In An Autumn Mood...we gauge the shift of seasons with a curious collection of compositions in changing harmonic colors.

From American Public Media, *Pipedreams*® is public radio’s weekly program dedicated to the artistry of the pipe organ. Host Michael Barone’s celebration of the “king of instruments” is heard on stations nationwide. Visit www.pipedreams.org to locate a broadcast station in your area.
