#0736 - Imaginary Beings…reading notes from a page is one thing, but improvising something new, ‘out of thin air’, is a remarkable skill.

#0737 - A Class Act in Columbus (OH)…the new 66-stop tracker organ by Paul Fritts at St. Joseph Cathedral joins this city’s already rich local instrumental resources.

#0738 - A Fugue Too Far?…take a trip with counterpoint, and follow each voice as the aural weave becomes both intricate and engaging.

#0739 - In An Autumn Mood…we gauge the shift of seasons with a curious collection of compositions in changing harmonic colors.
