**#1040 - Organ Plus**...in consort with one, two, or dozens of companion instrumentalists or singers, the King of Instruments proves itself an affable and amiable colleague.

**#1041 - Kaleidoscope**...the varied art of the organ builder is alive and well throughout the world, as this week's showcase of recent instruments demonstrates.

**#1042 - Gunnar Idenstam**...an introduction to the intriguing and iconoclastic repertoire of a multi-faceted Swedish virtuoso for whom 'everything is music'.

**#1043 - All Gory, Loud and Horror**...you don't want to be left all alone when things go bump in the night up in the organ loft!
