1232 – (Not Your Average) Sunday Music...several select and sonorous scores explore the notion of ‘sacred’ from a different point of view.

1233 – Revisiting England...from Bath and Bristol and under the big dome of Saint Paul’s, an album of reflections from the PIPEDREAMS spring tour in Britain.

1234 – Northern Lights...composers, performers and instrument builders provide a brilliant outlet for musical imagination in Nordic countries.

1235 – Dance Party...contrary to common opinion, the supposedly staid old pipe organ can, when it wishes, get down and boogie.

Pipedreams® is American Public Media’s weekly program dedicated to the artistry of the pipe organ. Host Michael Barone’s celebration of the king of instruments is heard on stations nationwide and worldwide via pipedreams.org. Go online to locate a broadcast station near you.
