1544 - Visiting Britain . . . a sampler of some of the instruments to be visited during the Spring 2016 Pipedreams Group Tour in northern England and Scotland.

1545 - Prizewinners Perform . . . talented and aspiring young soloists show their promise as winners of various national and regional competitions sponsored by the American Guild of Organists.

1546 - On Fire! . . . an independent approach leads to compelling results in the hands of those who prefer 'doing it their way'!

1547 - All American . . . despite the organ's origins abroad, our resident composers have rather nicely figured out the King of Instruments.

1548 - Rounding Up . . . selected works by composers celebrating special centennial or sesqui-centennial anniversaries this year.
