1540 - From the Canadian International Organ Competition
... performances by prizewinners of the 2014 concours held in Montreal last October.

1541 - Town Hall Treasures ... the tradition of grand pipe organs in civic halls seems to have been an English invention, one carried on successfully throughout the Empire and still maintained... and emulated... today.

1542 - Quotes from Raven ... recent selections from one of America’s prime ‘organ labels’, and conversations with Raven’s curator William Van Pelt.

1543 - East Texas Treasures ... selections from the increasingly popular festival devoted to Aeolian-Skinner pipe organs designed by Roy Perry.
