#0827 - Bach On the Bench... Ted Alan Worth, Ken Kowan, James David Christie and others present concert performances of music by J.S. Bach on American instruments.

#0828 - A Few Drops More... fountains, flowing rivers, and frothy waves (both in a bathtub and lapping upon a south sea shore) provide inspiration for this collection of 'water music'.

#0829 - Come On, Let's Dance... from Jan of Lublin to Fats Waller, in Renaissance style and rumba, when the pipe organ's in the mood there's no better partner.

#0830 - Fantasies on a Choral... whether with simple variations on sacred hymns or complex counterpoint around new-made melodies, composers always respond to the lyric muse.

From American Public Media, *Pipedreams*® is public radio's weekly program dedicated to the artistry of the pipe organ. Host Michael Barone's celebration of the "king of instruments" is heard on stations nationwide. Visit www.pipedreams.org to locate a broadcast station in your area.
