#1127 - Summer Concerts...selected performances from venues around the country where the pipe organ generates special attention.

#1128 - Seeing is Believing...though organists often are invisible when they play, some recent DVD productions showcase both the performance and the performer.

#1129 - All That Jazz...in swinging Bach arrangements, Fats Waller improvisations, and original new scores, the King of Instruments lets it all hang out.

#1130 - From the BBC Proms (I)...soloists Stephen Farr and David Goode figure in this first of two summer programs from England's extraordinary music festival, highlighting the organ at Royal Albert Hall.

From American Public Media, *Pipedreams*® is public radio's weekly program dedicated to the artistry of the pipe organ. Host Michael Barone's celebration of the "king of instruments" is heard on stations nationwide. Visit www.pipedreams.org to locate a broadcast station in your area.
